

January 21, 2015

Dear TALL Alumni Lifetime Members:

The TALL-A Association is beginning the 2015 annual membership drive. According to the TALL-A Bylaws, the annual membership runs on a calendar year basis, January – December, and the purpose of TALL-A is to enrich the leadership skills of TALL-A members and to provide a network to assist members in securing opportunities to lead and share. TALL-A abides under the 501(c)(3) umbrella of the TALL Foundation and of the Texas A&M AgriLife Extension Service.

To accomplish this purpose the following activities will be undertaken:

1. Further establish and promote TALL and further improve the benefits of the program in enhancing leadership abilities.
2. Assist with funding of the TALL program.
3. Encourage outstanding young men and women associated with Texas agriculture to apply for membership in TALL.
4. Encourage new graduates to join TALL-A following graduation.
5. Represent TALL in worthwhile educational activities and continue to improve entrepreneurial and leadership skills.
6. Advance Texas agriculture using skills developed through the TALL program.
7. Offer the benefits of the TALL experience to non-agricultural sectors of the cultural and economic base of the state.

The TALL-A Association continues to support the Texas Agricultural Lifetime Leadership (TALL) program consistent with TALL-A's purpose. The current class of TALL XIV recently completed Session 3 in Austin, Texas. There are currently 336 TALL Alumni representing Texas Agriculture.

The TALL-A Association has two types of membership, annual and lifetime. Active memberships receive regular e-mail correspondence and the opportunity to network with fellow TALL Alumni at special TALL events around the state and throughout the year. Your membership enables TALL-A to continue supporting the TALL program with its mission to create a cadre of Texas leaders helping to ensure an effective understanding and encouraging positive action on key issues, theories, policies and economics that will advance the agriculture industry.

Your continued active membership is important to us and allows us as an organization to follow our purpose. To maintain a current database of our TALL Alumni, we ask you to complete the enclosed autobiography form and return it either by mail or e-mail. Additionally, TALL Alumni has an option to order a new name badge if you are interested.

Thank you for your continued support. We look forward to visiting with you in 2016. If you have any questions, please contact any of the TALL-A Board of Directors or the TALL office.

Sincerely,

Tanya Foerster, TALL XII
TALL-Alumni Association President

Dr. Jim Mazurkiewicz, TALL Director
Leadership Program Director & Professor

- 2015 -

TALL Alumni Association Lifetime Members
